

WHERE LIGHTS SHINE BRIGHT.

THIS IS YOUR TIME TO SHINE AT BAYLOR.

On this campus, academic excellence is elevated, a Christian commitment is celebrated, research is cultivated, and the Baylor Family welcomes every freshman with open arms.

As a Research 1 (R1) institution, Baylor continues to light the way as one of 146 institutions representing the top research universities in the nation and pursuing research solutions to the most difficult challenges.

So take an illuminating tour through these pages, then follow your path to Baylor.

WHY BAYLOR?

Baylor is the only private university with R1 status, major athletics and a Protestant faith-based identity.

baylor.edu/undergradresearch

RESEARCH (R1)

Top-tier research makes Baylor a more appealing destination for top faculty and students, provides more grants and industry partners for Baylor research and increases the value of Baylor graduates' degrees.

D1 ATHLETICS

Experience the excitement of a championship-winning university competing in the Big 12 and at the national level!

MID-SIZE UNIVERSITY

The rigorous academics and state-of-the-art resources of a large university without the large class sizes — Baylor professors will know you by name.

DISTINCTLY CHRISTIAN

As a community of faith, Baylor believes in building character while you build your future.

HOME

LIVING ON CAMPUS

Living on campus at Baylor, you will experience a community that enables you to author the life you have been called to live through relationally driven communities that support learning and faith development. Freshmen are required to live on campus. While living on campus is optional for upper-division students, Baylor's Living Learning Communities, Residential Colleges and Upper-Division Community at University Parks provide on-campus options for students beyond their first year. Learn more about your housing options at baylor.edu/CLL.

LIVING-LEARNING COMMUNITIES

Living-Learning Communities are organized around specific academic programs or extracurricular interests. Living-Learning Communities bring together freshmen through seniors who share similar interests and degree plans. As part of the emphasis on community, residents may share common cohort classes and have access to other academic services and programming within the communities.

RESIDENTIAL COLLEGES

Residential Colleges are faculty-led communities that foster academic excellence, intensive faculty-student interaction and rich culture steeped in Baylor tradition. The Residential Colleges are a two-year commitment and offer a special sense of family through community dinners, optional morning and evening prayer, and events hosted by the Residential College Faculty Steward.

- Brooks Residential College (male/female)
- Honors Residential College (male/female)
- Teal Residential College (male/female)

FIRST-YEAR COMMUNITIES

First-Year Communities foster a strong sense of belonging among Baylor's incoming class. These residence halls offer students an opportunity to meet and live with other freshmen with different interests and backgrounds. Students are able to learn and grow with each other at Baylor as they find their place in the Baylor Line.

- South Russell Hall (male/female)

ENGAGEMENT

Baylor students often discover their strengths and their passions by joining an organization, attending campus events or enjoying campus traditions. Late Night during the fall semester provides students the opportunity to meet student leaders from Baylor's student organizations with games, free food and prizes at McLane Stadium. Plus, Baylor has Student Involvement Specialists trained to help you find the best involvement options out there for you based on your passions, interests and calling.

FRATERNITY & SORORITY

Membership in a fraternity or sorority will provide you the opportunity to excel as a student at Baylor University. Whether it is through leadership, academic excellence, service, friendship or spiritual growth, being part of a fraternity or sorority at Baylor offers students the chance to make significant and impactful differences in their organizations, the Baylor community and beyond. Baylor practices a deferred recruitment model, where incoming students become eligible for membership during their second semester rather than their first semester. This allows incoming students to spend their first semester adjusting to academics, connecting to the University and learning about chapters and membership benefits.

ELITE OPPORTUNITIES

JOIN A COMMUNITY OF STUDENTS AND FACULTY IN ONE OF OUR ELITE PROGRAMS DEVOTED TO HELPING YOU ACHIEVE YOUR AMBITIOUS ACADEMIC, CAREER AND RESEARCH GOALS.

HONORS COLLEGE PROGRAMS

Multi-faceted community devoted to the love of learning, cultivation of wonder, nourishing of character and development of leadership, whether your goal is medicine, law, education, ministry, graduate study, etc.

Baylor Interdisciplinary Core (BIC) students fulfill general education requirements in small, faculty team-taught, interdisciplinary courses emphasizing global engagement. BIC students may pursue degrees and majors of their choice.

Great Texts (major) covers foundational works of literature, theology and philosophy, while exploring connections between what we know, how we live and what we enjoy.

Honors Program provides enhanced learning for students in any major with distinctive classes, interdisciplinary approaches and opportunities to pursue research with faculty mentors.

University Scholars (major) allows high-ability students to chart a personalized educational journey and fosters interdisciplinary conversation in the sciences and humanities.

BAYLOR BUSINESS FELLOWS & HANKAMER SCHOLARS

Baylor Business Fellows offers the maximum flexibility for high-ability students to combine the study of business with other schools and programs across the university. It is especially useful for pursuing pre-professional goals, such as medicine or law, or in-depth study of mathematics, humanities, or natural or social sciences while achieving a solid foundation in business.

Hankamer Scholars is designed for high-ability students who are seeking an accelerated path in the Business School, which allows students to also pursue minors or secondary majors outside the Business School, add pre-professional educational goals or complete study abroad opportunities. These select students pursue multiple business majors. Hankamer Scholars study alongside other Scholars who also display an excellent record of academic achievement, active extra-curricular involvement and strong leadership skills.

COMPUTER SCIENCE FELLOWS

Highly motivated students within the Department of Computer Science with a wide range of interests can create a tailored degree plan across disciplines.

- After you complete one semester of study, you can apply to be part of the program.
- Create an individualized course of study with the advice of a program director who will mentor you throughout the entire undergraduate experience.
- Prepare for graduate studies or a successful career while broadening your background in your chosen area of study.

SCIENCE RESEARCH FELLOWS

Personalized, interdisciplinary major that is the first of its kind in the nation. Intended for students who aim to have a career in research.

- Highly selective major with only 10 students accepted per year.
- Combine your science degree with other fields of study.
- Immerse yourself in research from the start of your sophomore year until graduation.
- Receive individualized mentorship and career guidance that will allow you to get into the best graduate schools in the nation.

HUMANITIES RESEARCH FELLOWS

Allows 40+ hours of free electives to complement research focus. Students can easily take a second major, earn certificates or pursue a pre-professional trajectory.

This program gives high-ability students the ability to build individualized courses of study that are focused, flexible and grounded by research-based continuity.

Humanities Research Fellows will also have the opportunity to explore cutting edge interdisciplinary developments in digital humanities, medical humanities, public humanities and environmental humanities.

Throughout the program, a faculty team advises and assists students in finding research opportunities with appropriate faculty across the humanities.

baylor.edu/eliteopportunities

CAMPUS RESOURCES

MULTICULTURAL AFFAIRS

The Department of Multicultural Affairs (MA) enriches the development of each student by encouraging them to celebrate their personal heritage and embrace the cultures of others. In pursuit of this mission, MA sponsors three main student coalitions and support their collaborative efforts throughout the year: Black Student Coalition, Coalition of Asian Students and Latinx Coalition.

Baylor also has more than 50 multicultural organizations, including: academic and professional development, fraternity and sorority life, religious engagement and special interest activities. Plus, MA is home to the Trailblazer Scholars Program, which is made up of incoming students and current undergrads who have demonstrated a commitment to advancing racial equality and diversity within their communities. For more information, visit baylor.edu/multicultural.

FIRST IN LINE

Will you be the first in your family to earn a college degree? Being a first-generation college student is a proud accomplishment! Our First in Line office provides support, resources and scholarships for our first-generation college students to help them better navigate Baylor successfully. We also provide you with an additional layer of support through peer-led connections in programs like the First in Line Student Society, Ambassador-led First Family Gatherings and fun events throughout the year. We strive to support, empower and celebrate our first-generation students and are excited to meet you! And be sure to check out the First in Line Success Academy scholarship program, exclusive for incoming, first-generation Bears. For more information, visit baylor.edu/firstinline.

GLOBAL INVOLVEMENT

Preparing you for worldwide leadership and service means providing opportunities to experience the world. Choose from more than 100 study abroad programs as well as global mission trips. For more information, visit baylor.edu/studyabroad.

Are you looking to start your college experience with an adventure abroad? Explore our Global Scholars program, a unique four-year educational and professional development opportunity that begins in Dublin, Ireland! Learn more at baylor.edu/globalscholars.

TRADITIONS

STOMP FEST In this all-university step show, groups perform routines to compete for prize money benefitting their unique philanthropy.

FIESTA! A cultural celebration of the diverse cultures of Latin America through cuisine, art, music and performances.

CHRISTMAS ON 5TH STREET A joyful celebration that includes an annual tree lighting, caroling, a live nativity scene and special musical guests.

THE BAYLOR LINE This spirit organization, made up of new students, wears signature gold jerseys as they run on the field at all home football games.

SING Student groups compete for bragging rights in this annual Broadway-style music and dance show.

HOMECOMING Baylor is believed to have the nation's oldest and largest Homecoming celebration. Students and alumni enjoy events, such as a bonfire, parade, Pigskin Revue and home football game.

MOSAIC WEEK The diversity at Baylor is highlighted through a series of events, including a student organization fair and cultural showcase, hosted by the Department of Multicultural Affairs.

WELCOME WEEK New Baylor Bears enjoy opportunities to connect with other incoming and returning students.

HOLI FESTIVAL Each year, Baylor's Indian Subcontinent Student Association (ISSA) invites students to observe Holi, an Indian festival of colors that celebrates the advent of spring while showering participants in colorful powders.

THANKSGIVING DINNER One of the most attended on-campus Baylor traditions, this dinner is a time for students, faculty and staff to come together to enjoy food, games, entertainment and fellowship with the Baylor community.

DR PEPPER HOUR Each week since 1953, students, faculty and staff have come together to socialize and enjoy Dr Pepper floats during Dr Pepper Hour.

LUNAR NEW YEAR Students ring in the Lunar New Year with live performances, music, free food and the opportunity to learn about many Asian and Chinese traditions.

DIADELOSO Since 1932, students have been given a day off in Spring to enjoy the outdoors. Diadeloso, or "Day of the Bear," features athletic tournaments, activities, live music and free food.

APPLICATION PROCESS

1. CHOOSE YOUR APPLICATION DEADLINE

NOVEMBER 1

- Early Decision (binding; for students who commit to attending Baylor if accepted; receive a decision by December 15)
- Early Action (non-binding; receive a decision by January 15)

FEBRUARY 1

- Regular Admission (non-binding; receive a decision by April 10)

2. CHOOSE YOUR APPLICATION METHOD

Decide which free application you want to use to start your application file:

- Baylor Online Application: baylor.edu/goBAYLOR
- Common App: commonapp.org
- ApplyTexas: applytexas.org

Regardless of your application choice, your goBAYLOR account will be important for tracking your application status and any next steps you might have.

3. REVIEW THE APPLICATION CHECKLIST

Your goBAYLOR account will show you exactly which items we have received and what is needed to complete your file by the deadline. Here are the documents that will be included on your checklist:

- | | |
|--|--|
| 1. COMPLETED APPLICATION FOR ADMISSION | 5. APPLY FOR FINANCIAL AID — CSS PROFILE AND FAFSA |
| 2. ESSAY | 6. OTHER REQUIREMENTS (AS NEEDED) |
| 3. ACADEMIC RECORD | 7. RECOMMENDED ITEMS |
| 4. TEST SCORES (OPTIONAL) | |

4. SUBMIT YOUR APPLICATION MATERIALS

Application materials can also be mailed to:

Undergraduate Admissions
One Bear Place #97056
Waco, TX 76798-7056

You may send materials separately, but please clearly indicate your full name and date of birth on each item to help us match it to your application file.

Learn more at baylor.edu/applicationprocess

GET AHEAD

JUMP START YOUR COLLEGE CAREER WITH ONE OF OUR INNOVATIVE PROGRAMS!

If you're a high school junior or senior, experience the Baylor difference while earning college credit through our year-round Accelerate pre-college program, which offers courses during the fall, spring and summer. Plus, students may earn conditional acceptance for Fall 2025 or Fall 2026 with the Accelerate2Baylor tracks!*

Explore your options at baylor.edu/accelerate.

If you are accepted to Baylor as a freshman, you can jump start your academic pursuits at Baylor. We make it easy for incoming students to begin classes during the summer with our discounted Summer of Discovery courses. Get ahead in your core course requirements and move more quickly into your selected major. Taught by Baylor faculty, each course gives you the opportunity to learn alongside new friends who will be part of your college career. Find out more at baylor.edu/jumpstart.

Want to travel the world and have an exceptional educational experience—to start your college journey—after graduating from high school? Spend your freshman fall semester abroad with our partner, Verto! Through this unique freshman study abroad program, you'll experience a different culture, expand your worldview and earn credit that will keep you on track for graduation before coming to Baylor's Waco campus in spring. Learn more at vertoeducation.org/school/baylor-university.

*Learn more about the Accelerate2Baylor pathway to gain conditional acceptance into Baylor. Track 1 starts the summer prior to your senior year, and Track 2 starts your junior year: baylor.edu/accelerate.

There are many ways to make a Baylor education fit your family's budget. Very few students pay the full tuition "sticker price" and are able to fund their education through various scholarships, financial aid, loans and payment plans. More than 90% of students receive financial aid, and over 86% receive merit scholarships. So this number could look different for your specific situation. Explore all the ways to fund your Baylor education at baylor.edu/estimator.

OPTION 1: MERIT-BASED SCHOLARSHIPS

Your comprehensive academic record and a full review of your completed Baylor application file determine your eligibility for a Baylor merit-based scholarship. No additional application is required. All applicants are considered for merit-based scholarships when they apply, including students who apply as test optional.

OPTION 2: FINANCIAL AID

To be considered for the maximum amount of financial aid, you must SUBMIT BOTH the **Free Application for Federal Student Aid (FAFSA)** at studentaid.gov and the **CSS Profile** at cssprofile.collegeboard.org. The CSS Profile opens on October 1 and should be submitted by the deadline below that matches your chosen admission plan. The FAFSA will open by January 1, 2024, due to application changes, and should be completed as soon as possible to receive a final financial aid award. Check the FAFSA website for updates through December 2023. Submitting these applications early allows you to be considered for the most available funds.

- **November 1: Freshman Early Decision and Early Action Priority Deadline**
- **February 1: Final Deadline to submit the CSS Profile for all Freshman Admission Plans**
- **March 1: Priority Deadline to submit the FAFSA for all Freshman Admission Plans**

If you miss the final deadline, please submit an application as soon as possible to be considered for any remaining funds.

The FAFSA will determine your eligibility for: grants, educational loans and federal work study.

The CSS Profile will determine your eligibility for institutional, need-based aid.

OPTION 3: SPECIALTY BAYLOR AWARDS

Baylor offers a variety of "specialty" scholarships for students who meet specific qualifications (i.e. academic, athletics, denomination, departmental, event-based, extracurricular, first generation, leadership, military, transfers). Baylor will also help you process VA Education Benefits and participates in the Yellow Ribbon Program. You can learn more about these awards at baylor.edu/typesofaid.

OPTION 4: OUTSIDE SCHOLARSHIPS

We recommend you apply for as many outside/private scholarships as possible. These might include scholarships offered by local businesses or service/religious organizations. Your school counselor should be able to assist you in determining what is available in your community. Accepted students can explore millions of dollars worth of outside scholarship options with Scholarship Universe database.

OPTION 5: PAYMENT PLANS

Baylor offers an installment plan that allows you to pay your out-of-pocket cost each semester in five monthly payments. You can learn more about this option at baylor.edu/sfs/installment.

INCLUDED WITH YOUR COST OF TUITION

UNDERGRADUATE COSTS // '23 -'24

TUITION	\$54,844
FOOD AND HOUSING	\$15,126

Remember that you also need to budget for personal expenses, books and supplies, and transportation. International students are also required to have health insurance.

To see a sample budget that includes direct and indirect costs, visit baylor.edu/sfs/coa.

PRO TIP: Some questions will be the same on the FAFSA and CSS Profile. Make sure you answer consistently, or your award package will be delayed until conflicting information is resolved.

BACKING YOUR SUCCESS

The mission of the Baylor University Career Center is to ensure that every student has the opportunity and support to achieve their career potential. That begins the first semester of your freshman year by creating a path that spans throughout your college experience and on to an exciting career or graduate school.

DEDICATION

Every Baylor student has access to their own dedicated Career Success Professional (CSP). There are 22 CSPs ready to help identify students' career interests, strategize job, internship and graduate school searches, craft résumés and prepare them for networking events or interviews.

PREPARATION

One of the most beneficial ways Baylor students are assisted by the Career Center is through the Professional Development courses, which allow students to explore their career interests and opportunities, learn about available career resources, practice career-oriented skills, and get ahead in their career plans long before they graduate.

For more information, visit baylor.edu/careercenter.

“Hewlett Packard Enterprise (HPE) has enjoyed a long and successful recruiting relationship with Baylor University. We always marvel at the quality of the students we meet every year that embody the character of the University itself. The Baylor Career Center team is central to all that we do at the University. As we expanded our recruiting commitment over the past year, this team played a vital role in guiding us to the right events and helping those events to be a success. With the highest standards for character and talent so evident in Baylor graduates, we look forward to building on our devoted investment at Baylor led through our relationship with the Career Center team.”

Condell Clegg, Hewlett Packard Enterprise

SUCCESS AT BAYLOR

73-75%

acceptance rate into medical school for graduating seniors

88.6%

acceptance rate to law school for graduating seniors 2017-2022

VISIT BAYLOR

Start your visit to our beautiful campus at the state-of-the-art Mark and Paula Hurd Welcome Center to experience the spirit, traditions and aspirations of the Baylor Family. Campus tours are available Monday through Friday and select Saturdays. Learn more at baylor.edu/waystoconnect. Or contact us at visit@baylor.edu or (254) 710-TOUR (8687) and let us help create a customized visit experience for you and your guests!

If you can't visit us in person, we have several virtual visit opportunities available, including individual appointments with your admissions counselor, to help you in your college search.

EXPLORE WACO

Located in the heart of Texas, Waco is a 90-minute drive from Austin or Dallas/Fort Worth. The Waco Regional Airport makes it easy to connect to flights out of Dallas. While you're visiting, don't forget to explore Waco's hot spots.
